(ON15772715593318400) I am extremely disappointed with this restaurant's takeaway service, as I ordered three dishes and only two arrived, the most important thing for me was that dessert did not come. I didn't check before leaving the place as when I arrived they handed me the wrong order, yes I opened it and saw it wasn't my order and went back thinking about it and they wouldn't make the same mistake again when they brought me the right order. I check and then the DESSERT was missing, apart from this problem the food was good as usual ....
