What [User](#) doesn't like about Sweet Charlie's: 3 stars because the ice is great, the stress seems nice, but the blades used are sitting in water from all taste ice cream and the freezing tops to make the ice are not thoroughly cleaned. there were chocolate residues from a previous order that was not removed when the person made mine. they should either have the machine first cracked and/or moved to a one that has already been cleaned. also should not leave a machine with residue from another rolled ice customer.
