we wanted to eat outside. it was very breezy, so we were the only ones out there and were not visible from inside. because we waited for it. when our waiter realized that we were there, he was very good. the food was good. the drinks were good. the prices were a bit high, but that seems to be the new normality. Moreover, they now pay by scanning a QR code, which is annoying, but it is for contactless payment. not my... [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about California Pizza Kitchen:

the food is great, but would not order the pick-up of order again. my order should be finished at 7:02 to call this time and was told to me that my order is full and they would bring it to me. almost 15 minutes later I gave up and went inside. it was on the back. there were 3 people who use the window. they have to pick up the pace. there was someone on the pick-up place that was longer than I was, and was still ther...
