Dont believe the negative hype. This place has really good food reasonable too I went on a Saturday the server was not as good as midweek but the food was good. [read more](#). What [User](#) doesn't like about Kowloon Cafe: Service, like food, is inconsistent. Unfortunately, it's hard to find this kind of diner anymore complete with breaded veal cutlets (brown gravy upon request! that delicious fried shrimp! They've opened another location on Highland Drive about 8700 S in Sandy, but they don't have the American menu available there for some reason. It's too bad, I'll have to keep driving out to WV for the breaded veal. [read more](#). In case you're craving some seasoned South American cuisine, you're in the right place: delightful meals, roasted with fish, [seafood](#), and meat, but also corn, beans, and potatoes are in the menu, on the menu there are also a lot of Asian menus. The Asian fusion cuisine is likewise an important part of Kowloon Cafe. Anyone who finds the everyday and generally known menus too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients taste, and you have the opportunity to try delicious American dishes like [Burger](#) or [Barbecue](#).
