The place from Winston-Salem offers 230 different **meals and drinks on the card** at an average \$8.1. What [C Thompy](#) likes about Cagney's Kitchen:

Wonderful portion sizes. We had a terrific waitress who did everything she could to fix things when something went wrong with one of our meals. As the rest of the food was wonderful we are assuming a fluke. We will go back and try again. [read more](#). In beautiful weather you can even be served in the outdoor area. What [User](#)

doesn't like about Cagney's Kitchen:

3 of us ordered from Cagneys through Door Dash today. Most of the order was great, but my friend ordered the French Dip. The sandwich was quite overcooked. I think restaurants think patrons will not complain...most of the time I don't. My friend asked me what was good. I told her I had never had anything that wasn't good from Cagney's. I feel I let her down. Oh well. Various **flavorful seafood dishes** are served by the Cagney's Kitchen from Winston-Salem, and you can try fine American meals like *Burger or Barbecue*. Naturally, they also serve you with tasty [pizza](#), baked fresh in original style, You can also discover tasty **South American** dishes on the menu.
