A **comprehensive menu** of **Island Cuisine** from Clemmons covering all **36** dishes and drinks can be found here on the menu. Nestled in Clemmons, Island Cuisine offers an interesting introduction to Filipino fare, with experiences varying widely among diners. While some revel in the rich flavors of traditional dishes like adobo chicken and lumpia, others express disappointment in execution and taste, citing bland soups and inadequate portion sizes. The restaurant's family-owned charm and friendly service earn praise, yet inconsistency in food quality raises concerns. Many guests appreciate the unique flavors and appreciate the opportunity to explore this lesser-known cuisine, making it a noteworthy stop for adventurous eaters in the Triad, regardless of their culinary preferences.
