On this homepage, you can find the **complete menu** of **Antone's Kitchen** from Youngstown. Currently, there are **16** courses and drinks available. Nestled in Boardman, this restaurant offers a range of Italian dishes that generate divided opinions. While the flavorful bread and some standout items like the Uncle Artie knuckle sandwich garner high praise, other experiences fall short, with complaints about underwhelming portions and lackluster meal components. Notably, the menu's creative names often leave diners confused due to insufficient descriptions. Despite some service hiccups and inconsistent food quality, many patrons appreciate the reasonable prices and highlight the fried cheese and Mama Mia as must-tries. Ultimately, this spot holds potential but could benefit from refining its offerings for a more coherent dining experience.
