By far the Best boba ever!! Not only is it fresh made daily, the drinks are not comparable to anywhere. You don't even need boba if you don't want it. Amazing service and people! [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and be served. What User doesn't like about The Little Boba Shop:

the first time here the device is beautiful, looks clean. the staff was helpful and with a good job. the mango matcha ordered slightly sweet. the drink was too sweet, strong syrup taste. can't imagine how sweet the normal sweet is. mango is lost with all the sugar. this is only a preference/entry nothing against the device-definitiw, give this place another attempt.
