\$7 for a cookie yikes! Located in the bottom floor food area at Fashion Island, this shop did not seem like it was staffed when I went. Two thirds of the display cases and trays were empty, and no one was in sight. The photo I posted is only focusing on the trays that had stuff on there. Thanks to other Yelpers who wrote that you need to ring the bell for service, though the service was subpar. Not very friendly it seemed like the person working there did not want to engage in conversation. Just pointed at a s'mores cookie and said it was \$7. The cookie itself was nice. Thick and buttery. I put the cookie bag on my dashboard as I went to lunch so when I got back it was nice and gooey. I enjoyed it, but for \$7 and subpar service? I'll be going elsewhere. At Hudsons Cookies in Laguna Beach, there's a heartly brunch for breakfast where you can eat as much as you want feast, In addition, the sweet desserts of the local shine not only in the eyes of the little guests.
