1. at this place of chicken chop in a long time. I ordered the crispy chicken sandwich with broasted potatoes cole slaw. my partner had the 3 pieces chicken tenders with a keks and coleslaw. my chicken sandwich was nice crispy on the outside. beautiful tender in the inner. the sandwich was covered with spicy mayo pickles. the broasted potatoes nice butter the coleslaw also for die. reminds me of my grandma's colleague. my partner chicken tenders were also crispy tenders. the only part was the 25-minute waiting time. I recommend ordering before the time when picking up or eating there. I know they're shorthanded like everyone else because they're coviding, but it's who they're waiting. What [User](#) doesn't like about Chicken Shack:

Potatoes taste like they were reheated, definitely not fresh. Chicken tenders were not crunchy it was hard and old like it had been refried. Never going here again! [read more](#).
