The **menu of Ototo Sushi Co.** from San Diego includes 18 menus. On average, **menus or drinks on [the card](#)** cost about \$6.5. The categories can be viewed on the menu below. Ototo offers a diverse menu and pleasant atmosphere, drawing both loyal patrons and new diners. While many enjoy the fresh sushi and attentive service, growing dissatisfaction with recent menu changes, pricing, and food quality has surfaced. Former favorites like the ramen and sushi have reportedly suffered from undercooked noodles and reduced fish portions. Customers express disappointment over missed items in orders and rising prices that don't align with portion sizes. However, the friendly staff and clean, inviting setting remain consistent highlights. Whether Ototo can recapture its former glory remains a question for eager food lovers.
