our favorite restaurant for 28 years has just paid us out: \$24/roll. so sad. because if that is so, we have tried to ototo today. we arrived 10 minutes before 2:00 clock closing time. there were five tables of customers, and the server was over pleasant. I asked him, on which he preferred between three rolls, which I could not decide. I went with his mind, picasso, and it was delicious. will definitely return. [read more](#).
