What [User](#) doesn't like about Modo Hawaii: we ordered online and wanted to pick it up. they have made our order after our arrival so that we had to wait for about 5 minutes. the donuts were very warm and delicious. all had a good taste. tipp: online order is convenient; but they had only 6 aromes (honey, chocolate, matcha, biscuits and saw, sesame, liliko passion fruits) made of 9 aromen in the shop. online had no strawberry, honigtauzucker and keksbutter.
