3 of us had just dinner lately. 2 had pork carving and 1 had bark meat rouladin. the pork dinners were cold. a plate had a pig and a chicken carving. the spatzle was freezing. the bark rouladin dish was delicious but warm. the bar tender has taken over our orders. we were charged \$11.00 for a beer that was never ordered or brought to the table. we informed the waitress, she removed her. very bad experience. with today's economic situations and restaurants that must be best to attract customers, this is really regrettable. there are so many other German restaurants to consider. During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, For a snack, you can also have the yummy sandwiches, healthy salads and other snacks. Mainly, the restaurant is renowned for its **robust German meals** including fries and salads that are served, At the bar, you can unwind with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
