The place from Glendale offers 256 different meals and drinks on the menu at an average \$8.6. What [Stephen Lee](#) likes about Paradise Pastry Cafe:

Love this place. Very clean. Nice staff. Great food. I generally go for the lamajoo (probably not spelled correctly) and boncheek (also probably not spelled correctly) and lunch combos (spelled correctly). Great stuff and don't forget the Armenian coffee!!! Woo hoo!!!! [read more](#). Delicious pizza is baked **hot from the oven** at Paradise Pastry Cafe in Glendale using a time-honored method, Moreover, you save time with the variety of already finished **delicacies**, without having to accept losses of pleasure. Fresh seafood, meat, as well as beans and potatoes are also South American cooked here, The customers of the establishment also consider the comprehensive selection of various coffee and tea specialities that the restaurant offers.
