los tacos are pretty tasty, depending on how they sometimes make them not it and then the next day their amazinggg. I love the variety of comida here! I recommend coming to tacos, ice and something cold! I can't recommend the mais here! smells like feet every time and it never takes well, the mais has too much water, the cheese stinks, no enough mayo or too much, etc. still a good place. I work in the restaurant industry and understand when a place is busy, how long it can take to make food, but it took 25 minutes to cook 3 tacos. they were not busy at all. I heard the microwave that worked all the 25 minutes I waited for my food, and I tasted it definitiw. I wouldn't recommend it. [read more](#). Anticipate the *varied, delicious [Mexican](#) cuisine*, which is usually prepared with corn, beans and chilies (hot peppers).
