What [User](#) likes about The Next Generation Salad: salata has a "server-based" salatable. you go through the selection of greens, vegetables, cheese, pasta, some fruits, proteins, toppings, dressings, suppen and brote. there is also a choice of sizes. I ordered a little salate that was not small. many of my questions. my diet is currently restricted, but I didn't feel in the least! the restaurant is clean, open with a lot of space to move. also the toilets clean. I w... [read more](#). You can use the WLAN of the establishment at no extra cost, Depending on the weather conditions, you can also sit outside and have something. What [Christina B](#) doesn't like about The Next Generation Salad: The food was pretty good and the staff was helpful but I give them 2 stars because they only have single-use plastic cups and utensils for dine in customers. And if that weren't bad enough, they don't even offer plastic recycling for all this unnecessary waste they are creating. I will never go back. You can find a good salad at many other places without all the waste. [read more](#). An additional service offered by the restaurant is the catering service for guests, and you may look forward to the scrumptious traditional [seafood](#) cuisine.
