The restaurant from Garden Grove offers 115 different meals and drinks on the card at an average price of \$14.3. What [User](#) likes about Han Nam Udon [Sushi](#): owners are rude. highly recommended not to go here. I rarely give out 1 star ratings. this place deserves it. if they ever have the misfortune of meeting management, they will understand the reason for this review. [read more](#). What [User](#) doesn't like about Han Nam Udon [Sushi](#): Tldr: new management, not as good. This place was a hidden gem in the area, serving amazing udon at excellent value. They used to be inside a grocery store and eventually opened a standalone restaurant at their current location. This used to be one of our go to places when we lived in the area. After moving away a few years ago we found ourselves in the neighborhood again, got nostalgic, and decided to visit for lunch... [read more](#). For visitors of the establishment, the [catering service](#) is also available, and you can look forward to the tasty typical [seafood](#) cuisine. Not to forget are the typical **Korean menus** like Kimchi, Bap and also Jjigae, which have a fixed place on the menu card and also on the plates of the guests, the menu also includes **delectable vegetarian menus**.
