What [User](#) doesn't like about Yooncy Korean Bbq:

bulgogi was \$20. but the size is as small, even I can count the number of meat lol. much different from the menu. check the picture, I tried to compare the size of the plate with the cupboard. I couldn't believe what got. taste was good. but too small. that's nothing, my friends didn't want to talk to her, but she insisted that she was legal and asked. so we have got [read more](#).
