Home Tavern from Kaukauna is a good place for a bar to have a beer after work and be able to sit with friends or alone, Moreover, the menu of this gastropub offers a good and especially large diversity of beers from the region and the world that are definitely worth a try. Sometimes you may not want to consume a lot, in this case one of the tasty **sandwiches**, a small salad or another snack is just right, The **meat** is freshly grilled here on an open flame.
