always love eating when I go here! the tacos dishes are chewy (my fave) and extra secret sauce is one. surfing and shaking with steak are my favorites. the Mac bombs are sinful, but so hard to resist! also the bbq bacon ranch queensadilla is a good choice. I haven't tried much yet, but it's good too. the order came quickly, about 15-20 minutes. it's so fresh, it doesn't matter to me. [read more](#). What [User](#) doesn't like about La Taco And Bistro:

you eat is really good. I ordered a steak quesadilla, but I arrived at 12 o'clock and didn't get my steak quesadilla until 130 o'clock. the restaurant was not packed, so I don't understand why it took so long. cashier seemed to be roared and never apologized for waiting. probably I won't go back there. The meat is freshly cooked here on an open flame. The visitors also appreciate the versatile, fine [Mexican](#) cuisine, whose traditional dishes are prepared with corn, beans and spicy chilies.
