The food is incredible. Food is delicious. Food is fresh. The manager and staff are the best I've been to. Truly caring about the customer. We sat and ate at this location and truly enjoyed the food. The manager came out and spoke with us as we were eating. Just to follow-up on us, being that it was our first time. But definitely not our last visit. The food and combinations of them will provide plenty of more meals. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, and there is free WiFi. What [User](#) doesn't like about Teriyaki Madness:

I enjoy eating. but recently this place has stopped the veneration of the local taste deal. Interestingly, the local taste offer is still available on the local taste website. The customers love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Teriyaki Madness from Scottsdale, with its creative Asian fusion cuisine - the right mix of what you know meets the adventurous world of fusion cuisine, and a lot of freshly harvested vegetables, fish and meat are used to prepare *easily digestible Japanese menus*.

The fine **Sushi such as Maki and Sashimi** however, is the undisputed highlight of this place, On the daily specials there are also several Asian meals.
