What [Luz Lanto](#) likes about Frutilandia Water Inn:

I like this place. You can refill your garrafon de agua the taste is so good. I never experience this flavor is because the water is very clean. Also you can buy ice cream, bananas split, a cup with corn or natural juice. Really good? [read more](#). You can use the WLAN of the place free of charge. What [User](#) doesn't like about

Frutilandia Water Inn:

Lets start by saying I order tostitos and I had to tell the lady how to make them based on what it said on their own menu because she wanted to make them with different toppings than what it said in their menu. My husband ordered a eskimo which was listed on their menu and the lady looked at us confused and said that they didnt had any. The only thing she knew how to make were fresas con crema.
