The restaurant from New York offers 23 different **dishes and drinks on [the menu](#)** at an average \$9.6. What [Mary N](#) likes about Zen Pot:

Takeout only dry pot in Hells Kitchen with plenty of spice and pretty decent portions. I guess it's hard to describe the food without comparing to mala project since most of the other reviews also mention it LOL. But I'd agree that the taste is comparable, the portion size is more generous, and it's less expensive. We opted for the medium spice option which felt the same as Mala Projects (Bryant Park) spicy option. I... [read more](#). What [User](#) doesn't like about Zen Pot:

ordering on their website and the restaurant where they told me to pick up (rong cheng) had not at all the order. it seems like a fake restaurant. rong cheng ordered me anyway, but zen pot is not real. edit: I have buried and ordered again. it happened again "no internet" and she never got the order. there were two other people, and the same answer for the two. uber eats finished the processing of a refund. [read more](#). The guests love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the Zen Pot from New York, with its unconventional Asian fusion cuisine - the right mix of traditional meets the adventurous world of fusion cuisine, on the menu there are also a lot of **Asian dishes**.
