Wow this sandwich was awesome!! Just got a regular chicken sandwich and fries. Both were awesome. Ordered online said 30 mins, got there 15 mins later and it was ready. Sandwich was hot and fried perfectly. Fries were hot and crispy. Will definitely be back. Way better then chick FIL a . Excited to try the nuggets and strips. Everything was extremely good. It was a little pricey but was definitely worth the price. [read more](#). The restaurant offers free WiFi for its visitors, And into the accessible spaces also come customers with wheelchairs or physiological limitations. What [Bailey S](#) doesn't like about Bird On The Run:

The chicken and fish is very tasty. The fish quality definitely has went down since they first opened but it decent. The waffle fries are a must. And they definitely hit the spot if they are fresh. This definitely beats most [fast food](#) chicken sandwiches. [read more](#).
