The restaurant from Reno offers 92 different **meals and drinks on [the menu](#)** at an average \$14.8. What [Kimberly Mansfield](#) likes about A Taste Of Thai Cuisine:  
Incredible Thai food! I do this thing where I get pineapple fried rice with fried tofu at every Thai place I go to and it didn't disappoint! I typically get medium heat, which was nice and tasty. The waitress was awesome and it was a very enjoyable time. [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physiological limitations. What [Paul Johansing](#) doesn't like about A Taste Of Thai Cuisine:  
So horrible. Unprofessional staff. The hostess San is very very rude and unwelcoming. Plenty of other Thai places in town that are so much better. Spare yourself. Never eat here. Let them go out of business. [read more](#).  
A Taste Of Thai Cuisine from [Reno](#) cooks delightful meals with the **Thai culinary popular spices and (fish-)sauces**, along with loads of fresh vegetables, seafood and meat.
