... so today we decided to place a order from our local neighbour pizzeria mikes pizza and was very disappointed by the service. the Door-Dh driver brought our **pizza** to our top flat like a hit and unnecessary to say, all the cheese and objects fell on a side of the box and was not to eat. we came into our car and drove to the restaurant to be greeted by owners rudely when we explained what happened. He looked at us as if we were lying and scattered. he never offered us another pizza or felt sympathetic. Instead we let ourselves run almost as far away as we disturb him. very sad to see what customer service skills people have in today's world. In Mike's Pizzeria, a place with Italian dishes from Homestead, you can expect **original Italian cuisine**, including classics like **pizza and pasta**. Also, you shouldn't miss out on the delicious **pizza**, traditional freshly baked in a wood oven.
