I got the california burrito and it was so filled up that was such a reasonable price at usc. I have the sauces – the yellow=sweet fruit, light green=guac/salsa, dark green=sweet, mild heat sauce and red=has a kick on it! we have also tried the queensotaquito or something (can not remember the exact name that I did not take a picture), but it was sooo worth it. the guacamole is nothing special – I do not recomme... I'm forced to add a star to add an evaluation. you have to bring it together. these are bad quality tacos without taste. you can get better tacos at taco bell and I'm not a fan of taco bell [read more](#). Get excited about the *diverse, scrumptious Mexican cuisine*, which is traditionally cooked with corn, beans and chilies (hot peppers).
