What [User](#) likes about In-n-out Burger: I was immediately greeted by a fund called kanton. he was very sweet and personal. I came to the uniqueness of his name and he asked me mine, he did all that while he took my order effortlessly. he also reminded me that I forgot my cup and made a little flip trick and handed it over to me. it was a funny encounter. orte need more people like this. it is so refreshing today as so many people act uncomfortable when the... the customer service is not good. the personal simply does not listen. from the tablet order they take the running gear to window. that was from my third attempt, because in n out was always the same city I visited. this is not too normal. I will play the game and i5 location, long lines, but they are reliable. [read more](#).
