The Card of Starbucks from Irvine contains about **218** different dishes and drinks. On average, you pay for a dish / drink about \$5.4. What **Jen M** likes about Starbucks: Very friendly staff and same great quality as standalone Starbucks stores. Very quick and love that they have all the food options (protein bites, sous vide, etc. available, as well. Definitely much more than expected from a coffee shop in a hotel lobby! **read more**. You can use the WiFi of the establishment at no extra cost, Depending on the weather, you can also sit outside and eat and drink. What **User** doesn't like about Starbucks: before 1 o'clock. they close at 1 o'clock. I expected my coffee and was very disappointed! it is in the embassy suites. they need to rent a afternoon! the people need their coffee mix. definitely not happy? **read more**. A visit to Starbucks is particularly valuable due to the large diversity of *coffee and tea specialties*.
