This is a really fun airstream "food truck" in the Garden food court on the corner of Palafox and Main Street. The food was made fresh and prepared within a couple of minutes and we were not disappointed. The classic melt w/three cheeses was 6.99 and the loaded Philly fries was 9.99. A good experience for sure! Definitely try it out! read more. You can use the WLAN of the restaurant at no extra cost. What User doesn't like about Melt Pensacola:
that was my first time to eat here and it will be my last. too expensive for dry food they serve. I have a chicken bacon pitch and it was so dry, even the cheese. I literally had few bites and could not finish. even the speck was not completely cooked. bacon was limp and chewy. also got a cup mac and cheese that was also extremely dry, my daughter wouldn't even touch it. read more.
