I placed 2 orders of pollo con tajadas. First of all the chicken was not fried good and looked like it was boiled. I also added one soda and when I got home the soda was flat like it was opened already. Now let's talk about the tajadas.... it look like they tried there best to make them as thin as possible. Definitely not worth 14 dollars. [read more](#). For guests of the restaurant, the **catering service** is also available.
