the time has finally come to check nomoo. in order, overall I recommend 100% to try this place. there is no tonne dinge on the menu, but it does not have to be. the fries were great, the burger was great. I do not recommend the mushroom wings, but only because they were not close to a wing, or something that always floats. strong sauce game. I have all (yes, they charge extra) and the thousand is island where it is.... [read more](#). The diner and its premises are wheelchair accessible and thus usable with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Nomoo:

That said, it was alright. I went for their chicken sandwich, which I had fries with. It was fine, not great. The flavors of the sandwich were very one note to me. All I tasted was the BBQ-y nature of the sauce for the patty. I'd probably go back again to try the oyster mushroom wings, which seem to always be sold out, and maybe their shakes. [read more](#). Nomoo from Los Angeles is valued for its delicious burgers, to which spicy fries, salads and other sides are presented, Besides the fine *sandwiches*, small salads and other snacks also make a good snack.

One also grills South American here with fresh seafood, meat, as well as beans and potatoes, and you can indulge in scrumptious American meals like **Burger or Barbecue**.
