The restaurant from Birmingham offers **34** different **dishes and drinks** on [the menu](#) at an average price of \$14.9. What [Leah Sweeting](#) likes about 7 Greens:

Delicious salad, the price was a little on the high end and I didn't know the salads came chopped as they are visibly marketed otherwise. However it was still really fresh and tasty. The customer service was fast and excellent. The place has a very open and clean kitchen and all the staff was properly dressed for contamination prevention with gloves and headwear. [read more](#). What [Ashley W](#) doesn't like about 7 Greens:

Frequently closes before the stated hours. I have gone out out of my way to drive here 30-45 minutes before the stated closing time to arrive to locked doors and being refused service bc we cleaned up already 45 minutes before the closing time. This is unacceptable. Why have posted service hours when you aren 't going to follow them? Other than this service is subpar. In the middle of having my order taken and made t... [read more](#).
