You can also contact them through their website. What [User](#) likes about El Machete Family: our opinion is that they have the best to eat. small it area and menu. I have difficulty adjusting the waiting staff. the unmut is worth it. Stop and make your bunt happy! [read more](#). What [User](#) doesn't like about El Machete Family:

eating is good, but be sure to have a lot of time when they go here because the service is extremely slow. it is obvious that they have limited experience with a restaurant. there were four on our party and we waited an hour for our food. [read more](#). With the large range of **coffee and tea specialties**, a visit to El Machete Family becomes even more attractive, You can also discover tasty South American cuisine on the menu. There are also fine American dishes, for example, burgers and grilled meat, The delicious *sandwiches*, small salads and other snacks are also suitable for a snack.
