What [User](#) likes about Taqueria La Venganza: super tasty vegan tacos, in contrast to others I tried before, including in Mexico City! their fake meats are very realistic textures and juicy. it is a little too oily and the shop is fucked away in a convenience store, but overall it was great! I'll be back soon. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in pleasant weather. Get excited about the **diverse, fine Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers).
