my first time in vegas and the top I wanted to do was to try vegan food in the opposite. I read the reviews saying that they had the best [pizza](#) they had, but unfortunately their main position was for the weekend that I was there closed, but they came to me to let me know that they would be in the vegas kitchen and I made sure that I was a place to try their pizza, and I didn't regret it. Can't wait until I get back t... [read more](#). When the weather conditions is good you can also eat outside, And into the accessible spaces also come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about Down 2 Earth Plant Based Cuisine:

This 'plant-based' restaurant is a ghost kitchen. The owner operates a seafood business alongside the the "vegan pizza". Cross contamination likely. Pizza was sub-par and building seemed worn down. DO NOT Recommend. Try somewhere else. Would give 1 star if possible. [read more](#).
