A friend of mine was involved with this location's interior build out. I love supporting local and BBQ so we checked Woodpile out a while back. They are our go-to now. They are super friendly and willing to accommodate food allergies as best they can. I really like their pulled chicken with the hose BBQ sauce. Also, the sweet potato mash should be award-winning in my opinion. Anyway. Keep being awesome. [read more](#). The restaurant also offers the possibility to sit outside and be served in nice weather. What [Marshall Stewart](#) doesn't like about Woodpile Bbq Shack:

Very disappointed with the portion size especially for the price. We ordered the Pit Master Platter and Barbe Cuban sandwich. The meat in both was very dry. The sandwich was packed into a container and was smashed upon its arrival to us. The Key Lime pie was also very disappointing. Way over priced for the food received. [read more](#).
