Maybe they're at the edge of the bankruptcy. prices do not calculate the prices that are represented on the menu that I pay more, of course an item that pasteles, is represented with a side of Slav, but my came without. flavors were good. but damn it. too expensive. I decided to go back and see if they would correct my order what they did. flavors were good. that's worth it. [read more](#). The restaurant and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations. What User doesn't like about Jennifer's Taqueria: eating looks very good! but it is not the best customer service, they have no clean tables, the waters are not at all good as they tasted, as the food was red and we told them and they said it tastes good and that they could not change it. [read more](#). Anticipate the **varied, fine Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), The *meat* is freshly **prepared** here on an open flame.
