My Western Omelette Platter is disgusting!!! There's a lump of cheese on top of the Western Omelette Platter, the eggs are burnt and have NO flavor to it at all!!!! The potatoes are not just soft, but mushy and the peppers and onions are like that didn't even touch the grill. The butter on the toast tastes good, but the toast is rubbery. I'm still chewing on a piece of a pepper!!!! I didn't eat it. [read more](#). If you're desiring some **zesty South American cuisine**, you've come to the right place: delicious meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu, and you can enjoy here scrumptious American meals like **Burger or Barbecue**. Even if you're only not so much hungry, you can still treat yourself to one of the fine sandwiches, a healthy salad or another snack. Of course, you also have to try the *fine burgers*, that come with sides like fries, salads, or wedges served.
