for a chain restaurant I liked the quality. I had the crispy, Cuban sandwich. it was \$11 just the sandwich) a little expensive for how small it was, but very good. I will try another thing on the menu. I just moved out of san diego where we had a chain called el pollo loco, it was similar, but it didn't have the Cuban aromen. so far I wish to see pollo tropical. [read more](#). What [User](#) doesn't like about Pollo Tropical:

I feel like they have cut back to the portions, especially when they order the full bun, I noticed that the chicken breast is shaved by its full portion and used in other objects like the packings and bowls. it is a better option than go through.
