my man and I go almost every weekend here! I am addicted after the caesar wrap and one side of fries and he tends to get either the cheesesteak or the beef cheddar with a side of fries. the quality is always consistently excellent and the riders are for to die! they have this special season on the riders I love, and my man loves this cheese sauce to plunge the fries. I wish w's diner would be everywhere! [read more](#). The chance to enjoy and feel like you're in Hollywood; that's doable in this charming designed diner, Naturally, you should also taste the **delicious burgers**, accompanied by sides like fries, salads, or wedges offered.
