really delicious! I recommend an excellent taste of the burger in general everything is delicious. we went by with our daughters and they also took away the place and their food! a 10 stars for the very friendly young and the cash so sweet! Eat was good, service was okay, was terrible. I waited for almost 40 minutes for a burger without side, and there were only two people in the row before me when I arrived. a lot of people stumbled later and were served before me. it will be a long time if I would ever choose this place over one of the others close to the places.
