This is one of the best meals I have ever eaten. I had the restaurant week special. Everything was superb including the chocolate dessert I'm not a chocolate fan [read more](#). What [User](#) doesn't like about The Pelican Club:

Nice atmosphere and food was good. My husband's venison dish was excellent. That being said, the waiter was poorly trained, didn't know menu, and could not pour a glass of wine without dribbling it on the table. Not sure if will revisit. [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious dishes from the menu but also a comprehensive and particularly good assortment of good beers and other alcoholic beverages that go well with the food, and you may look forward to the fine traditional [seafood](#) cuisine.

After the meal (or during it), you can also relax at the bar with a *alcoholic or non-alcoholic drink*. Also, the customers of the restaurant love the large variety of various coffee and tea specialities that the restaurant has to offer.
