We were looking for a vegetarian restaurant in the area and found this lovely place. As we sat deciding what to get, the server offered us a "lunch box" that was not on the menu. A delicious assortment with two types of curry (one was eggplant w potato and the other chickpea), small salad with king beans and lentils, basmati rice, and their fresh delicious roti. Would definitely return here. [read more](#). In pleasant weather you can even have something in the outdoor area, And into the accessible spaces also come clientele with wheelchairs or physiological limitations. What [Aditi M](#) doesn't like about Ahimsa Garden:

Dosas were just ok but everything else reeked of apathy. Place was teeming with flies! The chef literally walked out through the front door with dirty plastic grocery bags in hand, and stood outside in full view to first smoke a cigarette. When he came back he walked through the restaurant again. He had his apron on the entire time. Random kids walked in from the street and started harassing customers to make a donat... [read more](#).
