beautiful place to stay! the room was very clean and well equipped! the staff was polite and respectful. I enjoy spending the night here and recommend this place very much! my room was on the 7 floor, north side. it is quiet and beautiful there. internet was fast, the digital key function is also great! I also reserved the breakfast option, and it was good and three times cheaper than buying it for cash/card. [read more](#). The restaurant offers free WiFi

no tassen, no glasses and no eimer to get ice. that's such a reason. I had to order room service to get a glass with ice. seriously? is there a compelling reason why not have tassen, glasses or eimers not available for ice? this is the first hotel I have experienced here. also run motels have one-way cups and buckets for ice. Please enough to accuse it on covid, as the two are completely independent. [read more](#).
