[User](#) doesn't like about Caribbean Thyme:

I put an order with them on doorstep and not only did my order arrive incompletely (they did not contact me to let me know even though I paid for it) but the personal is incredibly rude. I called the restaurant and the woman hanging on me when I told her what happened. so are people running a business? never again a cent for this place. [read more](#). The fresh and fine **juices** listed on the drinks menu optimally complement the meals of the local.
