my vegan burger was pretty good. they do not have long lists of vegan toppings, but it is still worth checking! I enjoyed eating and would return if I ever were in the opposite. they offered a veggie patty and one beyond of patty [read more](#). When the weather is good you can also be served outside. What [User](#) doesn't like about

Frenchie Fresh Burger:

they serve the impossible burger who is delicious. but the first time we ordered it, it was clear that they never tasted an impossible burger, because they salted it like a meatburger. it was not possible. but we let them know that we hope that they will correct it. only double check that they don't salt yours.
