I came in yesterday and ordered two Carolina Pork BBQ gyros with a side of fries. The gyros were cooked to perfection. The pork was hot and moist 2 times. The fries were a little over cooked and could of used a little bit more seasoning. The service and gyros are excellent. 5 stars from me. [read more](#). What [User](#) doesn't like about Olga's Kitchen:

came with my son to eat. the hostess was told where we were stuck with a red hemd. neither said hi or asked how many. saw us down in standing in the left corner. waited about 15 minutes. every waitress went from us, including the one in the red hemd, served their tables and no one stopped to ask for our order or see if we have helped. we have been up and gone after we have not been waiting. restaurant was not busy.
