What [User](#) likes about Gualberto's 2:

2 California burritos and they were super good! definitely recommend! super fast service! burritos were out in less than 5 minutes! I am from escondido but will eat here definitiw when I am around. When the weather is nice you can also be served outside, And into the accessible rooms also come visitors with wheelchairs or physiological disabilities. What [User](#) doesn't like about Gualberto's 2:

They are racist and wouldn't take my order, because I'm white... I stood there at the counter with no welcome and no attempt to take my order as they prepared salsa containers. Once they finished filling all the containers they started another batch with out asking me what I'd like I eventually had to walk out! Literally no customer service and I will never go back or recommend this place again. [read more](#).
